

Catch-up Premium

The literacy and numeracy catch-up premium gives schools additional funding to support Year 7 pupils who did not achieve the expected standard in reading or maths at the end of Key Stage 2 (KS2).

The government makes allocations to state-funded school including academies like St Catherine's College.

St Catherine's College is therefore required to publish:

- The funding allocation for the current academic year
- Details of how the funds intend to be spent
- Details of how the previous year's allocation was spent
- How last year's allocation made a difference to the attainments of the pupils who benefit from the funding

Year 7 catch-up funding 2018 - 19

The funding allocation for the current academic year

In 2018-19 the Year 7 Literacy and Numeracy funding amounts to £14,626.

Details of how St Catherine's College intends the funds to be spent

Intervention	Details	Cost
Literacy HLTA	The deployment of an HLTA to work 1-2-1 with target pupils.	£5,783
Lexia Programme	The purchase and deployment of the Lexia programme to support development in reading and spelling, enabling all students who arrived with a literacy level below NCL 4 at KS2, to receive an intensive, bespoke intervention designed to improve their reading and spelling skills.	£900
Whole School Literacy CPD	Whole staff literacy CPD.	£100
Appointment of new English Teacher with responsibility for whole school literacy	Staffing within the English Department was needed due to a member of staff leaving. It was decided to offer this with a TLR and for the post-holder to have the responsibility for Whole School Literacy.	£4, 208
Accelerated Reader	Accelerated Reader programme purchased and used to support progress in reading.	£2,362
Extra Literacy and Intervention Capacity	Extra staffing for literacy support and intervention has been created through natural staff movement. This staff member will work closely with the SEN department and work with identified pupils.	£1, 273

Details of how the previous year's allocation was spent

In 2017-18 the Year 7 Literacy and Numeracy funding amounted to £14,019.

Intervention	Details	Cost
Literacy HLTA	The deployment of an HLTA to work 1-2-1 with target pupils.	£5,783
Lexia Programme	The purchase and deployment of the Lexia programme to support development in reading and spelling, enabling all students who arrived with a literacy level below NCL 4 at KS2, to receive an intensive, bespoke intervention designed to improve their reading and spelling skills.	£900
Numeracy HLTA	The deployment of an HLTA to work 1-2-1 with target pupils.	£5,783
Lucid	The purchase and deployment of Lucid which is a portfolio of assessment designed to screen and diagnose pupils with specific learning difficulties.	£1,000
1-2-1 tuition	Several pupils identified worked with a tutor, who is a qualified English teacher, on a 1-2-1 basis. This was alongside work completed with the Literacy HLTA.	£553

How last year's allocation made a difference to the attainments of the pupils who benefit from the funding.

Lexia-literacy support intervention:

100% of the 18 Year 7 pupils using the Lexia programme are making, on average, at least one level of progress.

1-2-1 tuition:

15 Year 7 pupils who were identified as working below national averages. 93 % of these pupils are currently on track to meet their target in English by the end of KS4 as progress towards these targets was made and consolidated in assessments completed in lessons.

Numeracy HLTA:

68% of identified pupils made at least one level of progress of the course of the academic year through targeted work and intervention with the numeracy HLTA.

Literacy HLTA:

65% of identified pupils made at least one level of progress of the course of the academic year through targeted work and intervention with the numeracy HLTA.
