OUTCOMES 2021

St Catherine's College students celebrated an amazing set of GCSE results. With formal examinations not taking place in 2021, we know that it is important never to lose sight of the amazing commitment that Year 11 students showed throughout their five years at St Catherine's College. They embodied the College's values of ambition, hard-work, resilience, and responsibility throughout their studies. In addition, they diligently stayed for extra daily lessons after school throughout their final year. The staff at St Catherine's College are incredibly proud of their outstanding achievements.
