

FOR ADMISSIONS FOR SEPTEMBER 2023

The Governors aim to offer a high-quality education based on Christian principles for all children at the College. We recognise our responsibility to children of Christian families, to those from Church schools and to children in the local community.

To achieve these aims, the Governors designate 50% of the places available at the College as foundation places and 50% as community places. If there are fewer qualified applicants for foundation places than the places available, any unfilled foundation places will become additional community places and vice versa.

Parents applying for community places should appreciate that the Governors hope that all pupils will attend religious education lessons and take part in Christian worship at the College. Governors reserve the right to determine the category under which an application is considered.

To apply for a place, please visit: <https://www.eastsussex.gov.uk/educationandlearning/schools/admissions/>. For admissions enquiries, please contact the College directly on 01323 465437.

The arrangements are agreed in accordance with the provisions of the [School Admissions Code](#) and in consultation with the Chichester Diocesan Board of Education and a range of stakeholders.

In order for a child to be considered for a foundation place at the College, parents should, in addition to the Local Authority application form, complete the College's Foundation Reference Form. This can be obtained from, and must be returned to, the College. If that form is not returned, the Governors will assume the application is for a Community Place and process it accordingly.

In the event of oversubscription, the Governors will allocate places using the following criteria which are listed in order of priority:

Foundation Places (104 places)	Community Places (104 places)

In the event of oversubscription within any category, place allocation will be decided by prioritising applications on the basis of home to college distance measured in a straight line (as the crow flies). Distances will be measured from the child's home address to the nearest gate used by the children at the College. Distances will be measured using the East Sussex County Council GPS measuring system.

In the event of a tiebreaker, the college will use a random allocation to decide which child will be offered the remaining place. This will be overseen by a person independent of the College and the applicants.

APPLICANTS WHO ARE NOT OFFERED A PLACE

Parents who are not offered a place for their child have the right to appeal against any refused preference. The deadline for submitting your appeal can be found on the [College's website](#). **More information on appeal panel decisions, appeal deadlines and general appeal advice can be found at eastsussex.gov.uk/schoolappeals.**

If you require an appeal form to be sent to you, please write to: East Sussex School Appeals Service, West E, County Hall, St Anne's Crescent, Lewes, BN7 1UE.

If an application is unsuccessful, the applicant will be notified in writing. The applicant should contact the College directly if they would like their child to be placed on the waiting list.

Please note:

1. Those applying for a Foundation Place (F1-7) should submit a Foundation Reference Form to the College. It is not necessary to complete a Foundation Reference Form when applying under the F8 category. The Foundation Reference Form must be completed by your priest, minister or religious leader confirming that you or your child have attended a public service of worship at least once a month during the last 12 months. In the event that during the period specified for attendance at worship the church [or, in relation to those of other faiths, relevant place of worship] has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church [or in relation to those of other faiths, relevant place of worship] or alternative premises have been available for public worship.
2. Where parents feel there is a medical or other special reason for attending the College verification such as a medical, education welfare officer's or social worker's report will be required at the time of application. To be given priority for admission on this basis, the Governors would have to be satisfied that the child's needs could only be met at St Catherine's College.
3. The term 'Christian church' refers to a church that is, or is eligible to be, a full member of Churches Together in Britain & Ireland or of The Evangelical Alliance.
4. 'Staff' is defined as anyone who is directly contracted by St Catherine's College.
5. A map of the boundaries for the College Community Area can be viewed at the College.
6. Any offer of a place based on distance from the College depends on the child living at the address provided on the closing date for applications. A business address, a child minder's address, or any other address other than the child's home will not be accepted. Proof of address may be required at the time of accepting a place. An offer based on a false address, or any other false information will be withdrawn.

7. Named feeder schools are Pevensey and Westham CE Primary School; St. John's Meads CE Primary School; The Haven VA CE Methodist Primary School; Tollgate Community Junior School. These schools are named feeder schools (Church or Church Partnership Schools) so that parents can express a preference to continue their child's faith-based education.
