

Learning overview for Photography			Year 10										
Term	Key topics/ scheme of work	What most pupils will learn (prior assessment may alter starting point and content)	Key skills used										How will this learning be assessed.
1	Analogue Photography	Through learning about traditional Photography methods pupils will gain an understanding of how to research photographers whilst also developing manipulation skills.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
2	Digital photography	Through learning about digital photography methods pupils will gain an understanding of the exposure triangle and how similar methods can be manipulated through mobile phone photography.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
3	Personal project 1	Pupils will be given a trigger word to investigate starting points for a personal project.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
4	Personal project 1	Pupils will investigate photographers in order to develop their ideas further.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
5	Personal project 1	Pupils will plan and carry out photoshoots based on their own ideas using skills developed through personal investigations.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
6	Personal project 1	Pupils will develop personal outcomes based on their research.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs ^v

Learning overview for Photography			Year 11										
Term	Key topics/ scheme of work	What most pupils will learn (prior assessment may alter starting point and content)	Key skills used										How will this learning be assessed.
1	Concealment unit	Pupils will research photographers and develop ideas based on the theme of Concealment	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
2	Concealment unit	Pupils will develop personal outcomes based on their research.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
3	Coursework refinement	Pupils will review their work, planning new ideas to enhance the coursework.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
4	Coursework refinement	Pupils will develop personal outcomes based on their research.	1 Develop ideas	1 Investigate	1 Critical understanding	2 Review and refine ideas	2 Media experimentation	3 record observations	3 identify wider links	4 personal response	Presentation	Literacy and grammar	GCSE AOs
