Dear Parents and Carers

As we approach the joyous season of Easter, we are writing to you with hearts filled with gratitude. As we reflect on the last term, we wanted to share with you how thankful we are for our wonderful children who bring us great joy every day. We are also thankful to parents and carers who continue to provide us with so much care and support.

Easter is a time of great significance in the Christian faith, symbolising the resurrection of Jesus Christ and the triumph of hope over despair. The children at St Catherine's College represent our hope for the future and we are incredibly proud of everything that they have accomplished so far, and everything that they will go on to achieve later in their lives. We are, therefore, excited to let you know that we will be celebrating some of these accomplishments in our end of term rewards assemblies that will take place today.

As St Catherine's College looks forward to a new term, it is important that we take time to reflect and to gather your views on what is arguably one of the most important aspects of your children's lives, their school. Therefore, we would be very grateful if you could take a few moments to complete this [questionnaire](#) so that we can consider your feedback to inform our future planning.

Finally, we would like to wish you all a blessed Easter. The season of Easter is often associated with new beginnings, and we sincerely hope that the new term brings hope and opportunity for everyone in the St Catherine's College community.

We look forward to welcoming the children back into school on Monday 15 April, after a restful break.

Yours faithfully
