Dear Parents and Carers of Year 11

As we approach the final stretch of the academic year for child, we want to emphasise the critical importance of maximising your child's potential beyond the exam timetable.

While exams are undoubtedly significant, the periods outside of the exam schedule are invaluable for targeted revision and accessing essential resources.

Your child's success is our priority, and to ensure they are fully equipped and supported, we encourage them to take advantage of the additional time available at school.

During these periods, they can engage in focused revision sessions tailored to their individual needs and receive personalised guidance from our dedicated teaching staff. Moreover, accessing last-minute resources and clarifying any doubts with teachers can make a substantial difference in their preparation for exams.

Our staff are committed to providing the necessary support and guidance to help your child excel. I urge you to encourage your child to make the most of these opportunities by attending school outside of the exam timetable.

Together, we can empower them to achieve their academic goals and succeed in their exams.

Thank you for your continued support and partnership in your child's education.

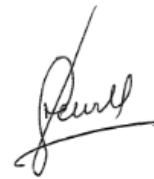

Yours faithfully
