

October 2024

Dear Parents and Carers,

We hope this email finds you and your family well.

In 2019, we introduced a laptop purchasing scheme to help families facing challenges with computer access. Due to the tremendous success of that initiative, we have continued to offer it over the years. We are pleased to relaunch the scheme, to both families who were unable to participate before, and to our new Year 7 students.

This scheme allows you to purchase one of four devices at a discounted rate, with the option to pay in full or spread the cost over four monthly instalments. While these devices are not top-of-the-line, they are fully capable of handling all essential schoolwork and more.

Below, you will find a flyer with detailed instructions on how to place your order. Please note that purchases are limited to one device per child enrolled at St Catherine's College. To place an order, simply log on to Arbor, select the device you wish to purchase, and choose your preferred payment option (either pay in full or via instalments). All orders must be placed by Friday, 22 November 2024.

#### Warranty Information:

All devices come with a 30-day warranty. After this period, any faults will be covered under the manufacturer's warranty. Please be aware that the College is unable to handle warranty claims directly; you will need to contact the manufacturer for any support after the initial 30-day period.

#### Payment Schedule:

Payment 1 (Deposit): Due by Friday, 22 November 2024

Payment 2: Due by Friday, 13 December 2024\*

Payment 3: Due by Friday, 31 January 2025

Payment 4: Due by Friday, 28 February 2025

\*Please note that Payment 2 must be made before the device is collected.

#### Device Options and Costs:

Device	Cost	4 x Monthly Instalments

Acer Chromebook	£260	£65.00
Lenovo V15 G4	£298	£74.50
