Dear Parents and Carers

We would like to begin by expressing our heartfelt gratitude for your ongoing support, especially regarding the use of mobile phones in school. Your cooperation has been instrumental in helping us maintain a focused, safe, and respectful learning environment for all our students. We truly value your partnership in ensuring their well-being. Please keep an eye on further updates in Contact, where we will continue to share helpful information to support you and your child's online safety.

We are also sincerely grateful to those who have taken the time to provide feedback through our recent parental survey. We are genuinely delighted by the overwhelmingly positive responses we have received, and we are deeply thankful for your encouragement and support. If you have not yet had a chance to [complete the survey](#), we kindly ask that you do so by Friday, 16 May 2025. Your thoughts and suggestions are incredibly important to us and help guide our ongoing efforts to improve.

We also acknowledge that a small number of parents and carers have shared concerns. Please be assured that we are actively working to address these. As the survey is anonymous, we are unable to respond directly to these individuals, but we warmly encourage anyone with specific concerns to contact us directly. This will allow us to engage in a supportive and constructive conversation, ensuring that we can provide any necessary help or clarification.

Once again, thank you for your continued trust, support, and engagement. We are truly fortunate to work in partnership with such a supportive and caring school community.

Kind regards and very best wishes,
