Dear Parents and Carers

We hope this letter finds you and your loved ones well.

It has been wonderful to see the sunshine over recent days. As the temperature has risen, we want to ensure that our students remain as comfortable as possible while in school. Therefore, students are not required to wear their blazers this week. Please remind your child to continue bringing their diary, pens, and locker keys, as these are often kept in blazer pockets.

We also encourage students to bring a refillable water bottle each day to help them stay cool and hydrated. Additionally, we recommend that they wear sunscreen if they are prone to sunburn.

We will review the decision about blazers at the end of this week and decide whether to extend the exemption into next week, as temperatures can change.

Thank you for your continued support.

Yours faithfully
