

There are number of new developments here at St Catherine's College. You will have read last week of the excellent opportunities that Combined Cadet Forces provides and we look forward to our first 'troop' forming. The Duke of Edinburgh Award is now well established and we love to read on our twitter page about the various expeditions taking place. The Mandarin Excellence Programme has started and we welcomed parents/carers into school last term to hear more about the programme their son/daughter is undertaking in Year 7.

In College Worship this week, Mr Jewell has used the season of Lent and a short clip from the Noah story themed film *Evan Almighty* to get pupils to reflect upon the number 40. While 40, contrary to popular belief, is not the number of days in Lent, pupils were challenged to think about what ARK (Acts of Random Kindness) could they perform for others?

In other news, our Options Evening for our Year 8 pupils takes place on Tuesday 13 March with staggered start times from 4.00pm. We are committed to giving pupils the best possible curriculum. The three years of our KS4 gives pupils the opportunity to study the depth required by the new GCSE syllabi, while also allowing us to maintain a breadth in the options choices. This commitment to doing what is best for the pupils means that, for last year's Year 11, we took the decision not unpick their options from Year 8 in order to chase league table measures for the sake of what was subsequently announced would count for the school. Therefore, a significant proportion of the year group sat qualifications from their options which counted for them, but not for the school. We are pleased to share with you that the Progress 8 score of the pupils with a Performance Table eligible curriculum was actually a very creditable +0.25. We are also delighted to hear all the good news stories about our former pupils and to share in the successes they are enjoying. Please keep in touch!

### DRAMA TRIP TO WAR HORSE

A report from Mrs Farrier:

On Tuesday 6 February, over 50 KS4 Drama pupils went to The Brighton Centre to see the critically acclaimed production of *Warhorse*. The story follows the relationship between a young boy named Albert and his beloved horse, Joey, who are separated when Joey is requisitioned for WW1. The play explores Albert's yearning to be reunited with Joey and the lengths he goes to achieve this whilst also reinforcing the brutality that existed for men and their horses in WW1.

The spectacular use of puppetry in this production was breath-taking. The audience was captivated by the life-like quality and experienced the horrors through the horse's perspective. This, combined with an imaginative use of set, atmospheric folk music, and effective use of lighting and projection, ensured that all of us understood the enthusiasm and success of this award winning show.

## CONGRATULATIONS!!

Last term, Mr Talbot was pleased to meet with the top house point achievers in Years 9, 10 and 11 to congratulate them on their success.

Each meeting took place with pupils, their respective Head of Year and Mrs Inch. They all enjoyed a drink of hot chocolate (naturally with squirty cream and marshmallows!) and biscuits. Well done to all!
