

Thank you for supporting our college uniform policy. We are very proud of the majority of our pupils who look amazing in their school uniforms.

We strive for the highest standards in all aspects of school life and believe that pupils should take pride in their appearance and their school. High standards of appearance are an important part of each pupil's sense of values and are a preparation for the world outside of school. Therefore, we have a clearly stated policy that all pupils are expected to wear full school uniform, both whilst journeying to or from school and, of course, on site. The highest standards are maintained from the moment pupils enter the College and parents are expected to support the policy with regard to uniform.

As we begin to think about a new academic year, we thought it would be a good time to remind parents and pupils of our uniform expectations:

- Plain white blouse or shirt (stiff collar with top button suitable for a tie, worn tucked in. The undergarment colour or pattern should not be visible)
- St Catherine's College tie with House colour
- Black blazer with embroidered college logo
- Black college trousers with embroidered college initials or tartan college skirt (skirts should not be rolled over at the waistband)
- Unpatterned white or black socks or natural or black tights
- Formal plain black leather (or leather type) shoes with closed toe and heels no higher than 5cm
- Grey v neck jumper (optional)

If you would like to buy school uniform, please see article overleaf for details.

DUKE OF EDINBURGH AWARDS

Over the weekend, Duke of Edinburgh pupils participated in Silver and Bronze Award Expeditions. The Silver Award Expedition involved a walk from Henfield to Offam, taking three days and covering 30 miles! It was a huge success and helped pupils build confidence, resilience and leadership skills.

The Bronze Award participants also had a great weekend on their two day practice expedition. For many of them it was first time for putting up tents and cooking on a Trangia! Great resilience and team work was shown by all.

FOREST SCHOOL

Luke, Year 9 pupil, and Morgan, Year 8 pupil, have both been working hard with Year 3 Forest School groups whilst on placement at West Rise School. Last week, they made toast on the fire and wooden key rings. Luke and Morgan also helped out in some team building games.

SEE, DREAM, CREATE

A report from Philippa Jewell, Year 10 pupil:

On Thursday 7 June, a group of pupils went to the 'See, Dream, Create' initiative run by Culture Shift at Eastbourne College. There were over 80 pupils from other Eastbourne schools and we met with local business people, politicians and leaders to discuss the community and how it can be improved for future generations.

This project will continue throughout the next year and will hopefully lead to new facilities to help improve Eastbourne.
