

As we come to the end of a busy term, it was heartening to share with the pupils in worship the wide range of activities and achievement so far this year, some of which are pictured below.

My worship this week centered on the bible verse from 2 Peter: "Cast your anxiety on him, because he cares for you". I then reminded pupils to share any concerns or worries with staff/parents/carers. I reminded them of the many ways that they can do this at St Catherine's, including:

- Speak to their tutor or class teacher
- Visiting Student Services to speak to one of our Pastoral Officers, and/or post a note in the 'concern box'
- Completing a pupil voice form (our yellow form)
- Emailing a worry or concern to concern@stcatherines.college
- Reporting any online abuse, including using the CEOP link our College website.

Please can I extend this to parents/carers? If you have any concerns, however big or small, to share them with us. A reminder that staffs' email addresses are on the website and our Reception and Student Services staff are available to take a telephone call. Thank you for your ongoing support.
